FEDERAL & STATE GRANT STATUS

2009 CHRP (Cops Hiring Recovery Program): Expires 09/30/2012

This grant will pay 100% of the salary of four (4) police officers over the course of the 36 month grant. The grant stipulates these funds are to be used for officer positions that have been frozen or laid off due to the economy. This grant is one of the largest ever received by the police department at \$678,400.

2009 JAG Recovery Act (Justice Assistance Grant): Expires 09/30/2012

This grant was part of the American Recovery and Reinvestment Act. The total amount awarded is \$314,707, however the Department of Justice required us to split this money with Miller County, therefore the City received \$236,030. This money will be used to purchase needed capital items such as police cars, digital video cameras for marked patrol cars, laptop computers for marked units, new computer servers and a ballistic blanket used in high risk situations. There is no match requirement under this grant.

2009 JAG (Justice Assistance Grant): Expires 09/30/2012

The total amount awarded is \$68,124, however the Department of Justice required us to split this money with Miller County, therefore the City received \$58,124. This grant will allow us to purchase a wireless camera surveillance system that utilizes four (4) cameras and delivers the feed into a laptop computer that allows us to monitor and record all four cameras at one time. We will also purchase a Firearms Training Simulator (FATS) machine that will better prepare our officers when they are forced with a use of force scenario. The remainder of the money will be utilized to purchase new traffic radar systems.

2008 JAG (Justice Assistance Grant): Expires 09/30/2011

This grant allowed us to purchase three (3) *Mobile Vision* digital in-car camera systems. Before making the transition to digital video, the department utilized VHS style video recorders to record all activities of our patrol officers. With VHS tapes becoming harder and harder to locate, physical storage space issues, and the age of the VHS systems we have (some are close to 10

years old), we decided to go with a digital system that records onto a server, back-ups to a DVD, and has much better audio and picture quality.

2009 DOJ Bulletproof Vest Grant: Expires 09/30/2011

This grant pays one half of purchase cost of bullet proof body armor for police officers. National Institute of Justice Standards (BJA/NIJ) recommends that body armor be replaced every five years and the agency provides body armor for every officer and replaces it according to NIJ replacement recommendations. This year's grant will cover half of the cost of approximately 13 vests for a total of \$3,463.68.

2009-2010 DWI Traffic Enforcement Grant: Expires 09/30/10

This grant pays overtime for DWI, speed, and occupant protection enforcement. The Federal amount is \$78,000. We have an in-kind local match of \$47,336 from the regular police budget. Local match (in-kind) uses a salary off-set from one of the patrol officers assigned to the Special Operations Traffic Section as match. This program started in 1991 and has been funded for approximately 18 years. This grant overlaps our budget year due to the State of Arkansas being on a different fiscal year.

2009 Bi-State Narcotics Task Force Grant: Expires 06/30/10

This grant pays the salaries for TAPD personnel in the Bi-State Narcotics Task Force. This is a multi-jurisdictional task force consisting of TAPD, TTPD & MSCO personnel. This is our longest running grant project. It partially funds the salaries of five city police officers and two Miller County Deputies. The federal amount is \$148,265.00, state amount is \$29,628.00, and local match totals \$243,151.00. Our task force has been one of the more successful in the State of Arkansas. Reductions have occurred in both the federal and state grant funding awards resulting in an increase in local match to maintain the unit. The grant total for this fiscal year is \$421,044.00.

2009-2010 STOP Violence Against Women Act Grant: Expires 09/30/10

This grant pays the full salary of a police investigator to investigate all cases involving violent crimes committed against women. The grant also pays the salary for a police liaison position (case coordinator). The state amount is \$85,472, and the local in-kind match is \$27,838 for a total of \$113,310.

2009-2010 Texarkana Housing Authority General Fund Officer Positions: Expires 11/31/09

The THA's share is \$130,000.00 and the city picks up the balance needed for salary and fringe for three officers. THA officers are primarily responsible for Texarkana Housing Authority property. The approximate match is 75% federal and 25% local match. The funds received from THA have been deposited into the regular salary line item to simplify our budget tracking.

COPS In Schools Agreement: Expires 06/01/2010

The School District and the Police Department have entered into a two year agreement (following the completion of the 2004 COPS in Schools Grant funding) whereby the School District will reimburse the City for associated personnel costs of two (2) police officers assigned T ASD as School Resource Officers. One SRO will be assigned to Arkansas High School and one at North Heights Junior High School.
