Re: May 2013 Management Report/Quick Reference

This is a snapshot of significant events, issues and activities that occurred within the Police Department during the month of May. Listed below are some highlights of these items. You may find more in-depth information within the complete management report that accompanies this memorandum. If there are any issues, please contact me or one of the Division Commanders.

- During the month of May, the Department began evaluating the workload and the overall budget in Central Records and Communications (CRC). This evaluation is an attempt to identify actual costs and manpower requirements in pursuit of decreasing the overall costs within CRC.
- During the month of May, members of the Department participated in the annual Special Olympics Law Enforcement Torch Run. Each year, more than 85,000 law enforcement officers carry the Flame of Hope across 35 nations which helps raise awareness and funds for the Special Olympics. As part of this event, local officers ran over 18 miles before handing the Flame of Hope over to officers from the Hope Police Department.
- Members of the Services Division completed a summer community crime prevention campaign during the month of May. This campaign enabled members of the Department to interact with numerous citizens throughout nine different locations in the City. These locations included schools and apartment complexes. Officers stressed the importance of security and safety awareness.
- The Department participated in the Memorial Day mobilization that began on May 20th and concluded on June 2nd. As part of this mobilization, officers from the Patrol Division targeted violations of the State’s occupant protection laws. The Department’s efforts were funded from the DWI & STEP grant and resulted in numerous contacts.
- Officials from the Arkansas Department of Finance and Administration/Jail Standards Division inspected the Bi State Jail to ensure compliance with State jail regulations. Much the same as last year, the Bi State Jail passed the inspection and remains in compliance with jail regulations.

FEDERAL & STATE GRANT STATUS

2012 JAG Grant: Expires 09/30/2015

In conjunction with Miller County, the Department was awarded the 2012 JAG Grant. The total funding associated with this grant—which is administered through the Department of Justice—is \$33,600. Because the Department of Justice requires the City to split the grant with Miller County, the City received \$20,000. The Department intends to apply these funds towards the purchase one (1) new Chevrolet Caprice police vehicle with the City's portion of the grant.

2011 JAG Grant: Expires 09/30/2014

In conjunction with Miller County, the Department was awarded the 2011 JAG Grant. The total funding associated with this grant—which is administered through the Department of Justice—is \$46,634. Because the Department of Justice requires the City to split the grant with Miller County, the City is projected to receive \$32,650. The Department intends to purchase two (2) new Crown Victoria police vehicles with the City's portion of the grant.

2012 DOJ Bulletproof Vest Grant: Expires 08/31/2013

This grant pays one half of purchase cost of bullet proof body armor for police officers. National Institute of Justice Standards (BJA/NIJ) recommends that body armor be replaced every five years and the agency provides body armor for every officer and replaces it according to NIJ replacement recommendations. This year's grant will cover half of the cost of approximately 18 vests for a total of \$6,381.00.

2012-2013 DWI Traffic Enforcement Grant:

Expires 09/30/13

This grant pays overtime for DWI, speed, and occupant protection enforcement. The Federal amount is \$81,500. We have an in-kind local match of \$81,500 from the regular police budget. Local match (in-kind) uses a salary off-set from one of the patrol officers assigned to the Special Operations Traffic Section, a portion of the DWI / STEP Sergeant's salary and a portion of the Department's vehicle maintenance cost utilizing a calculation based upon mileage. This program started in 1991 and has been funded for approximately 18 years. This grant overlaps our budget year due to the State of Arkansas being on a different fiscal year.

2012-2012 STOP Violence Against Women Act Grant: Expires 09/30/13

This grant pays the full salary of a police investigator to investigate all cases involving violent crimes committed against women. The grant also pays the salary for a police liaison position (case coordinator). The state amount is \$80,784.44, and the local in-kind match is \$27,059.62 for a total grant package of \$107,844.06.

2012-2013 Texarkana Housing Authority General Fund Officer Positions: Expires 11/31/13

The Texarkana Housing Authority's (THA) share is \$130,000.00, which covers the costs associated with the salaries and fringe benefits for two police officer positions. The two police officers who are assigned to THA are primarily responsible for police services within the Texarkana Housing Authority property. All compensation to the City will be made on a cost reimbursement basis.
