Re: October 2013 Management Report/Quick Reference

This is a snapshot of significant events, issues and activities that occurred within the Police Department during the month of October. Listed below are some highlights of these items. You may find more in-depth information within the complete management report that accompanies this memorandum. If there are any issues, please contact me or one of the Division Commanders.

- The department participated in National Night Out during the month of October. This event fosters community cohesiveness in an effort to combat issues of criminal activity and other issues that directly affect our community.
- The department participated in Race for a Cure during the month of October. Large numbers of people attended this event at the Four States Fairgrounds, and the Department’s involvement included traffic control and crime prevention
- During the month of October, members of the Services Division met with the citizens who reside on Porter Street to facilitate the development of a neighborhood crime watch program. Established programs such as these unite citizens within our community, and through a collaborative effort with the police department, work to address issues of criminal activity within their neighborhood.
- During the month of October, members of the Patrol Division participated in the national airport disaster preparedness drill. This annual drill tests the emergency response to airport disasters to ensure successful mission cohesiveness across all responding departments and helps to identify critical areas that require improvement. The police department’s mission during this drill was centered on traffic control.
- The Department was awarded the 2013-2014 DWI / STEP grant during the month of October. This grant—which is set to expire on 09/30/2014—will enable the Department to continue the state’s laws that govern DWI and occupant protection. This year, the Department received \$52,500 and is required to match that amount (in-kind). The salary off-set from one traffic officer assigned to the Special Operations Section will be utilized as an in-kind match, and a portion of the match will be assigned to maintenance and operational costs. The Department is gearing up for DWI enforcement throughout the upcoming holiday season.

FEDERAL & STATE GRANT STATUS

2013 JAG Grant: Expires 09/30/2014

In conjunction with Miller County, the Department was awarded the 2013 JAG Grant. The total funding associated with this grant—which is administered through the Department of Justice—is \$24,262. Because the Department of Justice requires the City to split the grant with Miller County, the City received \$16,262. The Department intends to purchase two (2) mobile in-car video systems and three (3) mobile-ready lap top computers with the awarded funds.

2013 DOJ Bulletproof Vest Grant: Expires 08/31/2015

This grant pays one half of purchase cost of bullet proof body armor for police officers. National Institute of Justice Standards (BJA/NIJ) recommends that body armor be replaced every five years and the agency provides body armor for every officer and replaces it according to NIJ replacement recommendations. This year's grant will cover half of the cost of approximately 12 vests for a total of \$4,254.88.

2013-2014 DWI Traffic Enforcement Grant:

Expires 09/30/14

This grant program, which started in 1991, pays overtime for DWI, speed, and occupant protection enforcement. The Federal amount is \$52,500. We have an in-kind local match of \$52,500 from the regular police budget. Local match (in-kind) uses a salary off-set from one of the patrol officers assigned to the Special Operations Traffic Section, a portion of the DWI / STEP Sergeant's salary and a portion of the Department's vehicle maintenance cost utilizing a calculation based upon mileage.

2013-2014 STOP and VOCA Grants (Violence Against Women Act): Expires 09/30/14

The STOP grant pays the full salary of a police investigator to investigate all cases involving violent crimes committed against women while the VOCA grant pays the salary of a civilian domestic violence case coordinator. The state amount is \$87,814.09, and the local in-kind match is \$28,068.93.

2013-2014 Texarkana Housing Authority General Fund Officer Positions: Expires 01/01/14

The Texarkana Housing Authority's (THA) share is \$130,000.00, which covers the costs associated with the salaries and fringe benefits for two police officer positions. The two police officers who are assigned to THA are primarily responsible for police services within the Texarkana Housing Authority property. All compensation to the City will be made on a cost reimbursement basis.
