Re: June 2013 Management Report/Quick Reference

This is a snapshot of significant events, issues and activities that occurred within the Police Department during the month of June. Listed below are some highlights of these items. You may find more in-depth information within the complete management report that accompanies this memorandum. If there are any issues, please contact me or one of the Division Commanders.

- Following the acquisition of the fully restored MRAP (*Mine Resistant Ambush Protected Vehicle*) from the Law Enforcement Supply Office (LESO) last month, the police department conducted tactical training during the month of June specifically tailored towards the safe operation of the MRAP. The tactical training provided our SWAT team members with the ability to safely deploy and utilize this vehicle during critical incidents.
- The police department participated in National Seat Belt mobilization during the month of June. The efforts of the police department were funded through the STEP grant and centered on promoting increased traffic safety awareness.
- During the month of June, the police department conducted Civil Service Testing for potential candidates seeking employment with the department. In addition to the testing, the police department also interviewed a series of potential candidates. Two (2) of the candidates passed the oral interview process and advanced to the next stage of the hiring process.

FEDERAL & STATE GRANT STATUS

2013 JAG Grant: Expires 09/30/2014

In conjunction with Miller County, the Department was awarded the 2013 JAG Grant. The total funding associated with this grant—which is administered through the Department of Justice—is \$24,262. Because the Department of Justice requires the City to split the grant with Miller County, the City received \$16,262. The Department intends to purchase two (2) mobile in-car video systems and three (3) mobile-ready lap top computers with the awarded funds.

2013 DOJ Bulletproof Vest Grant: Expires 08/31/2015

This grant pays one half of purchase cost of bullet proof body armor for police officers. National Institute of Justice Standards (BJA/NIJ) recommends that body armor be replaced every five years and the agency provides body armor for every officer and replaces it according to NIJ replacement recommendations. This year's grant will cover half of the cost of approximately 12 vests for a total of \$4,254.88.

2013-2014 DWI Traffic Enforcement Grant:

Expires 09/30/14

This grant program, which started in 1991, pays overtime for DWI, speed, and occupant protection enforcement. The Federal amount is \$52,500. We have an in-kind local match of \$52,500 from the regular police budget. Local match (in-kind) uses a salary off-set from one of the patrol officers assigned to the Special Operations Traffic Section, a portion of the DWI / STEP Sergeant's salary and a portion of the Department's vehicle maintenance cost utilizing a calculation based upon mileage.

2013-2014 STOP Violence Against Women Act Grant: Expires 09/30/14

The STOP grant pays the full salary of a police investigator to investigate all cases involving violent crimes committed against women while the VOCA grant pays the salary of a civilian domestic violence case coordinator. The state amount is \$87,814.09, and the local in-kind match is \$28,068.93.

2013-2014 Texarkana Housing Authority (THA) General Fund Officer Positions:

Expires 11/31/14

The Texarkana Housing Authority's (THA) share is \$130,000.00, which covers the costs associated with the salaries and fringe benefits for two police officer positions. The two police officers who are assigned to THA are primarily responsible for police services within the Texarkana Housing Authority property. All compensation to the City will be made on a cost reimbursement basis.
