Re: September 2015 Management Report/Quick Reference

This is a snapshot of significant events, issues and activities that occurred within the Police Department during the month of September. Listed below are some highlights of these items. You may find more in-depth information within the complete management report that accompanies this memorandum. If there are any issues, please contact me or one of the Division Commanders.

- The police department in September contributed to the success of the Four States Fair by providing law enforcement logistical support throughout this event. The Department’s primary responsibilities included traffic control and crime prevention patrols within the Four States Fairgrounds.
- The Department was awarded the 2015 JAG Grant during the month of September. The JAG Grant is shared with the Miller County Sheriff’s Department. The Department received \$18,215, and because Miller County is considered to be a disparate jurisdiction, they received \$8,971. The total funding from this grant is \$27,186. The Department intends to upgrade its computer hardware with the JAG funds by purchasing a larger server and cache controller.
- In partnership with the Texarkana Arkansas School District and the Drug Enforcement Administration, the police department participated in the 10<sup>th</sup> annual Drug Take Back Day that provided the community with an opportunity to rid their homes of potentially dangerous expired, unused and unwanted prescription drugs. This initiative provides members of the community with a secure drop-off point where these prescription drugs are collected.
- The police department participated in the National DWI campaign from August 21<sup>st</sup> through September 7<sup>th</sup>. During this mobilization, the Department targeted violators of the State’s impaired driving laws. The Department’s efforts proved successful through the numerous contacts that occurred during this mobilization period. The Department’s efforts were funded from the DWI Grant.
