Re: June 2016 Management Report Supplemental Information

This is a snapshot of significant events, issues and activities that occurred within the Police Department during the month of June. Listed below are some highlights of these items. You may find more in-depth information within the complete management report that accompanies this memorandum. If there are any issues, please contact me or one of the Division Commanders.

- During the month of June, the police department participated in the State of Arkansas’ Fourth of July holiday DWI mobilization. As part of this mobilization, officers from the Patrol Division engaged in targeted efforts to address impaired drivers within our city. The Department’s efforts were funded from the DWI & STEP Grant and resulted in numerous contacts and physical arrests for violation of the State’s impaired driving laws.
- During the month of June, the Department provided law enforcement logistical support for Sparks in the Park. The police department’s primary responsibilities during this event included traffic control and crime prevention patrols within the Four States Fairgrounds.
- As part of the police department’s promotional process, Sergeant Nick Elrod was promoted to the rank of lieutenant, and Corporal Paul Nall was promoted to the rank of sergeant during the month of June. These promotions enabled the department to fill the vacancies created as a result of the March 2016 retirement of Captain Mark Lewis.
- Members of the police department administered the Civil Service Test (written and physical agility) throughout the month of June in an attempt to address the commissioned officer vacancies as a result of several recent retirements. The police department will continue its efforts to recruit diverse and qualified personnel.
- Members of the police department participated in two fundraising events during the month of June in support of our Shop with a Cop Program held annually in December. These events included a rib eating contest against officers from TTPD as well as a poker run. These events not only raised money for our event in December, but these events also enabled us to further our reach into the community.

# FEDERAL & STATE GRANT STATUS

## **2015 JAG Grant: Expires 09/30/2018**

In conjunction with Miller County, the Department was awarded the 2015 JAG Grant. The total funding associated with this grant—which is administered through the Department of Justice—is \$27,186. Because the Department of Justice requires the City to split the grant with Miller County, the City received \$18,215. The Department intends to upgrade its computer hardware with the JAG funds by purchasing a larger server and cache controller.

## **2015 DOJ Bulletproof Vest Grant: Expires 08/31/2016**

This grant pays one half of purchase cost of bullet proof body armor for police officers. National Institute of Justice Standards (BJA/NIJ) recommends that body armor be replaced every five years and the agency provides body armor for every officer and replaces it according to NIJ replacement recommendations. This year's grant will cover half of the cost of approximately 20 vests for a total of \$7,489.08.

## **2015-2016 DWI Traffic Enforcement Grant:**

**Expires 09/30/16**

This grant program, which started in 1991, pays overtime for DWI, speed, and occupant protection enforcement. The Federal amount is \$46,500. We have an in-kind local match of \$46,500 from the regular police budget. Local match (in-kind) uses a salary off-set from one of the patrol officers assigned to the Special Operations Traffic Section, a portion of the DWI / STEP Sergeant's salary and a portion of the Department's vehicle maintenance cost utilizing a calculation based upon mileage.

## **2015-2016 STOP Violence Against Women Act Grant: Expires 09/30/16**

The STOP grant pays the full salary of a police investigator to investigate all cases involving violent crimes committed against women while the VOCA grant pays the salary of a civilian domestic violence case coordinator. The state amount is \$87,814.09, and the local in-kind match is \$28,068.93.

# FEDERAL & STATE GRANT STATUS
