FEDERAL & STATE GRANT STATUS

2008 JAG (Justice Assistance Grant): Expires 09/30/2010

This grant allowed us to purchase three (3) *Mobile Vision* digital in-car camera systems. Before making the transition to digital video, the department utilized VHS style video recorders to record all activities of our patrol officers. With VHS tapes becoming harder and harder to locate, physical storage space issues, and the age of the VHS systems we have (some are close to 10 years old), we decided to go with a digital system that records onto a server, back-ups to a DVD, and has much better audio and picture quality.

2008 DOJ Bulletproof Vest Grant: Expires 12/31/2010

This grant pays one half of purchase cost of bullet proof body armor for police officers. National Institute of Justice Standards (BJA/NIJ) recommends that body armor be replaced every five years and the agency provides body armor for every officer and replaces it according to NIJ replacement recommendations. We anticipate these funds will carry over into the FY 2010 budget year and will keep you posted.

2008 DWI Traffic Enforcement Grant: Expires 09/30/09

This grant pays overtime for DWI, speed, and occupant protection enforcement. The Federal amount is \$77,600. We have an in-kind local match of \$47,336 from the regular police budget. Local match (in-kind) uses a salary off-set from one of the patrol officers assigned to the Special Operations Traffic Section as match. This program started in 1991 and has

been funded for approximately 16 years. This grant overlaps our budget year due to the State of Arkansas being on a different fiscal year.

2008 Bi-State Narcotics Task Force Grant: Expires 06/30/09

This grant pays the salaries for TAPD personnel in the Bi-State Narcotics Task Force. This is a multi-jurisdictional task force consisting of TAPD, TTPD & MSCO personnel. This is our longest running grant project. It partially funds the salaries of five city police officers and two Miller County Deputies. The federal amount is \$148,265.00, state amount is \$29,628.00, and local match totals \$243,151.00. Our task force has been one of the more successful in the State of Arkansas. Reductions have occurred in both the federal and state grant funding awards resulting in an increase in local match to maintain the unit. The grant total for this fiscal year is \$421,044.00.

2008 STOP Violence Against Women Act Grant: Expires 09/30/09

This grant pays the full salary of a police investigator to investigate all cases involving violent crimes committed against women. The grant also pays the salary for a police liaison position (case coordinator). The state amount is \$81,262, and the local in-kind match is \$26,175 for a total of \$107,437.

2008 Texarkana Housing Authority General Fund Officer Positions: Expires 11/31/09

The THA's share is \$130,000.00 and the city picks up the balance needed for salary and fringe for three officers. THA officers are primarily responsible for Texarkana Housing Authority property. The approximate match is 75% federal and 25% local match. The funds received from THA have been deposited into the regular salary line item to simplify our budget tracking.

COPS In Schools Agreement: Expires 08/01/2009

The School District and the Police Department have entered into a two year agreement (following the completion of the 2004 COPS in Schools Grant funding) whereby the School District will reimburse the City for associated personnel costs of two (2) police officers assigned TASD as School Resource Officers. One SRO will be assigned to Arkansas High School and one at North Heights Junior High School.
